## E D I T O R I A L

**T**his month at Club HQ we had a bit of a conundrum on our hands, as we were simply awash with soft feminine curves and cares. So much so, that we had a hard time trying to fit the bumper crop in, with redhead Jaye Rose, blonde bombshell Syren Sexton, and Dani and Lexi getting fruity with one another. That's without mentioning the sassy Cayla Lyons or even the provocative Eva Tam who will have you unloading buckets of cream. So with this all in mind you won't be needing that Red Bull in the fridge with this month's cover girl Cassie on the prowl to give you the biggest high of them all, as the all-natural sauce pot opens up about how she wishes to be somebody's dream girl. I think Cassie might be a few gents dream girl after Club Vol. 47 No.9.

Dear Club,

I'd thought I'd write in and tell you about the intimate sex session my girlfriend Karen and I enjoyed just the other night. I can honestly say that, even though she's a fox and really horny with it, she has never been so enthusiastic about making love, or satisfied my fantasies so completely. Karen is a real lover of leather and lace. She's not a biker chick or anything, she likes to wear sexually provocative feminine outfits, such as tiny leather skirts, stockings with seams up

the backs, and stiletto heels. She used to be in insurance a while ago but nowadays she works in a shop selling music and DVDs. She says it pays less but she gets to wear what she wants to!

I have to admit that her short leather skirts were what made me notice her in the first place, though it would be hard to ignore such a cute-looking long-haired blonde with long legs, a trim body, pointy tits and a pert little arse. Anyway, every time I went into the shop she'd be kitted out in an outfit even more OTT than the last, and I ended up staring at her so much that she remarked on it one day and we got talking. So that's how we met and we have been living together now for nearly a year.

For a few months now we've taken to watching porn films together every so often,

**“I was getting close to coming too as her cunt continued to tighten on my cock.”**

and the other night the DVD Karen brought us home was a sexy German flick with a horde of birds in leather and lingerie doing stuff more acrobatic than you'd see at a circus. I was

getting pretty hot under the collar as we cuddled up together, especially since Karen hadn't gotten ready for bed and it felt like I was sitting with my arm round one of the chicks from the DVD.

In any case, I was so randy that even though I don't normally initiate the sex, this time I did, moving my hand up her stocking-clad leg and kneading the top of her inner thigh. Karen responded by rubbing her hand slowly and sensuously over my growing hard-on through my jeans, eventually freeing my weapon and wanking it gently while I fingered her pussy through her panties with one hand up inside her skimpy leather skirt. Before long I had her top and bra off and was really enjoying myself, kissing and licking the flesh of her breasts and lapping at her erect nipples. She shivered as she pulled away and dropped down to take my cock in her mouth. Imitating the girls on the DVD, she lapped around the head of my cock before sucking it deep into her mouth. It felt exquisite as she sucked me, bobbing her head up and down in rhythm with the girls performing on the telly. I love getting a blow-job from Karen but that night I wanted my cock inside her really badly, and I told her so. I also asked her to keep on her stockings.

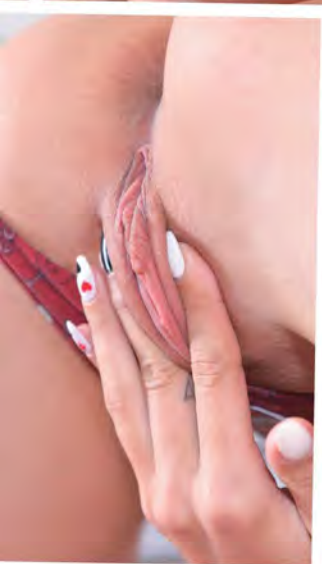

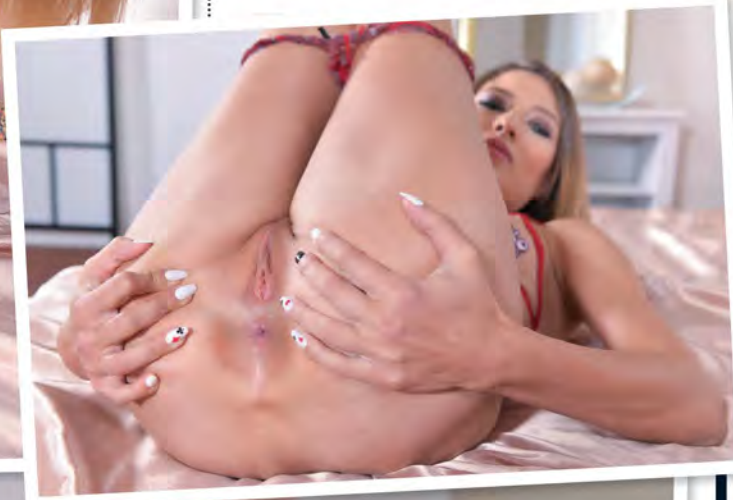

Standing up to give me a little show, Karen wriggled out of the skirt like a lap dancer and bent close. "Come on, then, fuck me," she whispered, leaning back on the sofa and opening her legs really wide. Shedding my

“...she orgasmed, pooling her juices around the base of my cock.”

clothes in record time I pressed my throbbing tool against her damp slit and pushed it inside her hot pussy. Karen wrapped her legs around my back and raked my shoulders with her long fingernails as I pumped in and out of her soaking cunt.

Her tits bounced against my chest and my balls slapped so loudly against the underneath of her arse-cheeks that I could hear them above all the moaning on the television. Karen held me more and more tightly against her with those fab long stocking-clad legs, at the same time guiding one of my hands to her wet little clit, encouraging me to flick it gently back and forth as we screwed.

Constricting around my penis, her pussy muscles clenched and she orgasmed, pooling her juices around the base of my

cock. I was going at her so hard that I was getting tired, but her soaking climax gave me my second wind and I kept on thrusting my cock into her.

I was getting close to coming too as her cunt continued to tighten on my cock, holding it vice-like every so often, while her vagina pulsed and clenched. Running my fingers through her hair, I held her tits against me as she came again, and was rewarded with a moan and an actual bite on one of my shoulders as she shuddered through another orgasm. The bite took me over the edge, I shot my sticky cum deep inside her and I

held her in my arms until my cock softened. Then she did something that she had never done before – she cleaned me off just like the porn birds in the DVD we were watching. I couldn't believe it and still can't, but she got down on her knees and slowly licked my cock and balls clean of every drop of cum, pausing only once, and that was to look up into my eyes while she was doing it and telling me with a giggle that she “could get used to this”.

Well I could, that's for bloody sure! And what's more, I certainly intend to!  
*Jeff, Croydon.*

**R**ocking redhead, Jaye Rose, wants you to know that she really enjoyed her photo shoot.

"I'm always surprised at my reaction. I always knew I liked showing off my body, and this was one of those experiences where I'm really excited by the end of it!

"It's strange because, actually, I'm quite shy. I'd certainly never crack on to a bloke. I'll always wait for them to chat me up. And sometimes, believe it or not, that can take quite a while. If I go out with my girlfriends, I'm generally one of the last to hook up with a man."

We can't believe our ears, as Jaye Rose would be our first port of call, once we'd got a few beers in, of course; priorities and all that.

**W**e heard this one calling all the way from America, as Syren Sexton puts her womanly charms to good use, with bodice-ripping effect; well, at least that's what I'm dreaming of now, and Kate Bush but you can probably see why.

"You've got a ripe mind, and I don't even need to ask what else you're thinking about either."  
Well, you could, you never know I might surprise you.  
"I doubt it very much."  
Please yourself. She is of course

quite right, I'm like an open book where Syren is concerned, my pages are there to be read, pretty much like these ones Syren is featuring in, though I don't think there's much reading going on here, if we are honest.

# OFF YOUR HEDONIST

Want some fillums? Then how about these!?

## Isle of Dogs

DVD £9.99, Blu-ray £14.99

Stop-motion animation has become a rarity, possibly due to the time-consuming nature of it all, and being futuroids if it takes more than a week to do something there must be a quicker way (ahem, Disney you're on my list). But when the likes of Ardman or Wes Anderson and Indian Paintbrush (Fantastic Mr Fox) produce a film that appears tactile, rather than flat and jumpy, all those hours seem worth it. Now, any fans of director Wes Anderson will understand his quirky take on things, but when Isle of Dogs was sold to me as sick dogs exiled to a Japanese rubbish dump island, I must confess I was rather perplexed at how this concept was going to play out. But my trepidation was as unwarranted as all the plastic packaging in supermarkets, that become the play toys for our unwanted pooches. But let us start at the beginning as dog-hating mayor Kobayashi of Megasaki City calls a city-wide emergency after outbreaks of canine flu and snout fever, sending the dogs into quarantine on Trash Island. Kobayashi starts with his own household and his young and now bereft ward Atari then starts off on an adventure to rescue his beloved mutt Spots. All the dog language and interaction is translated, but the human language remains largely unsubtitled, in a genesis move by Anderson that turns the tables. A movie that will make you want to cuddle your dog if you have one, and make you consider getting one if you don't.

## L'Amant Double

DVD £9.99, Blu-ray £12.99

Kinky and fun aren't two words that generally go together in film, yet here is director François Ozon masterfully moulding just that, with leads Marine Vauth as Chloé and Jérémie Renier as Paul/Louis and more than a few nods to Hitchcock along the way, we are introduced to a fragile young woman who seeks help from therapist Paul, naturally they fall in love and move in together, which is when things start to twist and turn. Chloé discovers Paul has an identical twin Louis, also a therapist, but what other secrets are there lurking. This is a film about sexual exploration, duality and power, with clever use of screen splits using mirrors and reflections. An erotic thriller that's worth watching.

## Bulletproof

DVD £24.99

The streets of East London have seen their fair share of high profile criminal activity, you only have to think of the Kray's to know the extent of the violence this weave of backstreets and alleys have witnessed. But to bring things more up to date Noel Clarke (Kidulthood & Star Trek: Into the Darkness) and rapper turned actor Ashley Walters (Top Boy) have teamed up as a crime-fighting duo, who are ready to risk life and limb to clean up the East End. A gritty drama with a new case each episode, but with a connective mystery running through the series as a link. Both Clarke and Walters are suited to this series, unapologetically quick and dynamic, with an ease of playing off one another that makes this series enjoyable to watch. If you missed it on the box, then here's your chance to catch it on DVD!

## LEGO The Hulkbuster

[www.lego.com](http://www.lego.com)

At heart, us chaps are just enormously overgrown children, most of whom these days support a beard and are up to the task of keeping our big boy pants dry unless we unwittingly drink copious amounts of alcohol, then it can get a bit patchy. But, it's tough for us to leave our youth behind, especially when fun items such as LEGO Marvel Super Heroes 76105 The Hulkbuster: Ultron Edition pop onto your desk. It's true, I could hardly contain my glee as I read the words 'punching function' and 'glowing the dark elements', and with 1363 pieces my fingers were already twitching. Brought out to coincide with the new Avengers: Infinity War movie this brick built machine stands at 25cm's tall and a cool LED chest mounted light.

£69.99

## Mous iPhone Case

[www.mous.co](http://www.mous.co)

We've all been there, a careless flick of the wrist, and out of your hand slips your precious iPhone. Now, as you woefully watch it tumbling to the ground there will be one thing only passing through your mind; please don't smash! But inevitably you pick up your phone to be met with the spider's lace cracking. If you'd have had a case from the stylish Mous, your phone would still be intact, and you'd also have received compliments and enquiries into your sleek case. But, now to the details, the high-degree of shock protection that company calls Airshock is basically a micro-thin layer of air pockets and a triple-layer TPU, PET and silicon screen protector that has been tested with hammers. It's a thumbs up from us!

£39.99

## The Sub

[uk.the-sub.com](http://uk.the-sub.com)

Let's face it we all dream about the possibilities of creating a pub in our own home, but whether the missus is down with the idea is another matter. So in order to fit in with the other kitchen gadgets gathering dust, Heineken and Apple industrial designer Marc Newson have joined forces to create a beautiful beer dispenser that's roughly the same size as a four-slot toaster and will easily fit in with the other gadgets marooned on Britain's kitchen worktops. This barrel-shaped tap of joy works with something called a Torp, a sort of canister that holds two litres of beer (there are different brands available if Heineken's not your can), then you load, lock and pour for that authentic draught beer experience all in the comfort of your own home. Even the cleaning is so easy a gent could do it, but I don't think we should let the women folk in on that. Overall, pretty cushty.

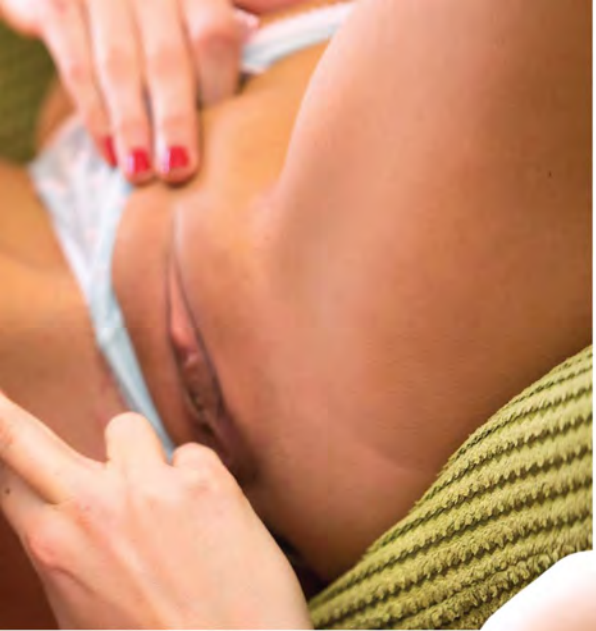

**A**y, ay, you'd better look sharp with these two feisty, sex hungry females on the loose, as Dani Maye and Lexi Lowe aren't shy in their appreciation of each other. These two have had us agog since they rocked up to our studio, music blaring and clearly midway through a sing-along. Which they seemed in no hurry to stop, that was until Dani copped a mouth full of Lexi's steaming pussy. I'll leave the rest of what happened that afternoon to your imagination, but I can safely say neither of them is shy.

In an average month, we must get about ten phone calls asking after sex superstar Charlie Rose. Some are quite straightforward; requests for autographs, underwear etc. Others are professional – offers of work with world-renowned photographers and so on. And the remainder is downright

dodgy – offers of a faceful of spunk in exchange for her home phone number. But whatever the request, the level of interest in this most gorgeous of all Club girls never seems to diminish. I'll shut up now and leave you to admire Charlie's opening flower, and please feel free to write in about it.

## Bachelorette Party

Private

**Starring:** Lucia Love, Ella Hughes, Suzy Rainbow and Carly Rae.

**Starring:** When slutty bride to be Ella Hughes has her Bachelorette Party, you best believe Private tagged along to

bring you all the pussy dripping action! This hen-weekend in Barcelona with Lucia Love, Suzy Rainbow and Carly Rae turns hardcore after just a few sips of champagne. These cock hungry hunnies are sure to celebrate their friend's last night of freedom in style, indulging in hard stripper cock, an orgy in a limousine and even a taste of the groom himself. Do not miss the wildest film to hit the shelves, celebrate Private's Bachelorette Party!

**Verdict:** Did these cock hungry ladies even

need any champagne to wet their appetite? It seems like their lubricated enough to me, as they juggle cocks on one wild hen party. There we where just think it was penis straws and strippers if this is anything to go then lock your wives to be up, or you may get more than you bargained for. So starting out with a proposal Ella gives her future hubby a one on one before the

girls get together and jet off to Barcelona to cram their mouths full of swollen

prick. But of course, food first as the party set out to a restaurant with a different kind of bangers and mash on the menu, as well seasoned studs dole out anal poundings and cum showers. These hens are certainly shaking their tail feathers.

## Blood Sisters

Digital Playground

**Starring:** Ariella Ferrera, Gina Valentina, Kristina Rose, Luna Star, Mercedes Carrera, Vicki Chase, Ramon Nomar, Toni Ribas and Tony Martinez.

**Synopsis:** For sisters Madalena and Isabel, blood has always been thicker than water. But when their father uses his political position to court power and corruption, each woman will have to choose where she stands: with her father, or against him. If the sins of the father must be punished...will his beautiful daughters pull the trigger?

**Verdict:** House of Cards eat your heart out has two well-known bedfellows join together once more, as power and sex are the name of this game. With Tarantino-like credits,

full blown corruption and severed fingers in the opening scene it looks like all out war is ready to fill the streets, but where there is power, there is lust and some hot totty to be lusting over. Ariella Ferrera and Toni Ribas kick things off with some bath time antics that have Ariella's plump red lips wrapped around Toni's pulsing shaft, but will they be finished before her hubby gets home? But there's plenty more action to come as the Mayor's two

daughters are kidnapped, and it looks like Toni Ribas is getting his end away with the entire household. So who's colluding with whom, as daughters turn against fathers and

**T**oo hot-to-trot springs to mind for this month's Club cover girl Cassie. The all-natural lady is in fine shape and possesses a certain attention-grabbing lustre, that will turn even the most determined heads. So what does his down to earth girl think of it all?

"I'd love to think I was someone's dream girl," says Tiffany. "It's always people like Kylie or Madonna, never normal people like me. I'd be so happy to think that someone could see in me what they wanted from a girl. It would make my year! I'm not stupid, I know what you boys are going to do when you look at magazines like Club, but I'd be so chuffed if some of it ended up on my pages!"

I'm sure our readers would be willing to oblige.

One day a disc and with a post-it attached appeared on The Ed's desk, the post-it read 'must see!'. So dually as with most recommendations, the Ed managed to locate a disc drive after much rummaging and loaded up the shiny CD. There was a moment's silence and then just the words 'crikey', and we all knew it was going to be a good'en and crowded around. We were meet with an image of a stunning, youthful blonde, who looked like butter wouldn't melt. Then we flicked further on through the pictures and discovered butter would melt as Cayla Lyons showed us just how dirty she is. If this little lady doesn't put a smile on your face, then you're a miserable bugger!

## DEAD SET ON SEX

I thought I'd write you some smut to say thanks for all the stunning naked chicks you've provided over the years. I hope that you could print my story as it's about my girlfriend and if she reads about our exploits in your magazine I'll get more sex than normal. I am also skint as I am a struggling artist (honest!). Anyway...

When I met my girlfriend she lived 250 miles away, so we only saw each other about once a fortnight until I moved south to be near her. So, of course, we had as much sex as possible when we were together. Unfortunately, Clare was still living at home with her parents and brother, as she was a student. Not that this stopped us, as on the outskirts her village there was a ruined priory with a graveyard. There was a bench under a tree where Clare and I used to sneak off to at night.

Anyway, one midsummer night, we found our bench with its tree and wall behind. We sat down and started to kiss, our hands all over each other, undoing buttons and zips. I unclipped Clare's bra unleashing her amazing tits. She has a double 'D' cup, which makes me a very happy man. The cool air soon had her nips standing to attention and Clare's hands had my cock in a similar state too. Even though we had only been together for a short while, we had soon learnt exactly what turned each other on. Clare knew that I loved her tits, so she knelt in front of me and held them together for me. How could I resist? My

rock-hard dick shone in the moonlight with sticky pre-come as I pushed it between Clare's lovely soft boobs.

Tit sex is damn nice, but we'd already done that last night in Clare's living room, after her family had gone to bed. Tonight, we had no worries about anyone hearing us either and were both in a 'fuck it!' mood. Even if we had been caught shagging, neither of us would have cared. We fucked for ages, enjoying the sense of freedom under the moon. I lay Clare down on her back and put her in my favourite position. We call it 'My Private Porno'. This is because I got an extremely nice view of my seven inches slamming in and out of her wet hole. I slid my cock inside her wet hole and closed her legs making her pussy clamp around my dick. Clare keeps her pubes totally shaved except for a little triangle at

the top, which I love, just like my favourite Club models.

As we fucked harder and harder, Clare's hands played with her ample boobs. I held her curvy hips in my hands and fucked her as hard as I could without coming. Just before I began to come, I pulled out of her tightness and grabbed hold of my slippery cock and, with Clare's beautiful body as a target; I shot a huge load of spunk all over her jiggling tits. Clare giggled saucily and dipped her

fingers in some of my come. “Mmm, salty!” she smiled at me as she sucked her wet fingers.

After a lot of licking and sucking on Clare’s clit I soon rose to life again and continued to shag her sopping wet cunt. I couldn’t come, no matter what Clare did, so I flipped her over onto her front and aimed for her tiny asshole.

Clare went quiet when she knew what I was doing, as she didn’t like anal much but I was going to have to come somehow. But this time she didn’t pull away, in fact, she started to murmur filth at me. Telling me to fuck her up her arse, harder and deeper. She played with her pussy, rubbing at herself until she came. I couldn’t hold back anymore and came deep inside her. I came so much that I thought that I would pass out. The extra lube my come provided meant that I could really fuck Clare’s arse harder than ever until, eventually, we ground to a halt covered in sweat and bits of grass.

We lay side by side giggling and cuddling underneath the clear night sky. Ah, happy memories! Probably not the sort of shite you’ll print but, hey, go on, pay my rent for a week, you know you want to! – Dom, Portsmouth. ®

#### **A FRIEND IN NEED**

It was Saturday night and I was looking forward to going to a party. My boyfriend picked me up around about eight, but on the way over he calmly announced he’d been seeing one of my close friends and wanted to split up. I was obviously very upset and made him pull over so I could get out of the car. He drove off, leaving me crying in the street, but a couple walking past stopped to see if I was OK. I must have sounded awful as they insisted I went back to their house which was only a few doors away. They introduced themselves as Mike and Kim.

Kim sat down and asked me to explain what had happened. After a few minutes Mike tactfully went back out; they’d originally been on their way to the off licence to buy wine. Kim made me a coffee, then had to make a phone call and disappeared upstairs, shouting down for me to make myself at home.

I fished into the magazine rack and to my surprise pulled out a copy of Club. At first I put it back, but then curiosity got the better

of me. As I started to thumb through I was surprised just how aroused I became and was so absorbed I didn't even hear Kim come back in.

"What are you reading?" she asked. I blushed and put the magazine down, but she walked over and picked the copy of *Club* back up. I spluttered an apology about reading Mike's mag, but she replied, "Don't be sorry. It isn't Mike's, it's mine!" She was disarmingly open about it and immediately put me at ease, so it wasn't long before we were reading it together, looking at the beautiful girls and reading her favourite sexy stories.

Mike didn't seem phased at all when he came back and saw what we were doing and after a couple of glasses of wine suggested we watch a film. Kim went and popped a video in. When she returned to the sofa she whispered in my ear, "I think you'll enjoy this." My jaw dropped when I realised it was an

kissed back. Now I wanted to see, so I untied my blindfold and with my inhibitions gone completely started to tug at Kim's top. She lifted her arms to help me quickly slide the tight tee over her beautiful breasts, which I just had to touch. It was a fantastic feeling.

We both then turned our attentions to Mike, pushing him onto the bed and unzipping his trousers. Kim reached in and pulled out his rigid cock and we both started to lick and suck in turns. She said I had to tell Mike what I wanted.

"Mike, I want to you fuck me," I moaned. "Please fuck me." But I didn't just want Mike, so I told Kim I wanted to taste her too.

"Good," she replied and they both lay me on my back and slid off my soaking wet g-string

**“Kim lowered herself onto my eager tongue, as I pushed deeper inside...”**

adult movie, but I soon started to relax and enjoy the whole atmosphere more and more.

A little way into the film I felt Kim's hand brush against my leg. I thought I was imagining it at first, but then it happened again. Next she placed her hand on my thigh. I relaxed and felt my legs part when she slid her hand further up my thigh. A tingle welled up inside me. I let my skirt ride up a little to encourage Kim to be more adventurous and let my own hand wander over to her knee, then slowly slide up her thigh. She smiled, kissed me on the cheek and took my hand to lead me up to the bedroom.

"Right," said Kim, smiling, "let's see if we can't take your mind off your troubles." I leaned forward to kiss her, but she pulled back, went over to a drawer, pulled out a blindfold and proceeded to put it on me. I stood there motionless, anticipating her first touch, which was a light kiss on my neck, followed by another on my shoulders. Her hands slid the straps of my dress over my shoulders, then further down, exposing my breasts. I felt my nipples harden as Kim's warm breath touched my nipples, her tongue circling them. At the same time my dress was being slowly pulled over my bum, leaving me stood in just my tiny lace g-string. One pair of hands cupped my breasts and then suddenly another pulled at my g-string, forcing it tight between my legs. I realised Mike had joined us! A tongue snaked into my mouth and I

**“ Kim reached in and pulled out his rigid cock and we both started to lick...”**

to display my recently-shaven pussy.

Kim positioned herself directly above my face. I could feel the warmth of her body and smell her scent. She lifted my legs up in the air, parted them wide and it wasn't long before I felt Mike slide inside me. At the same time, Kim lowered herself onto my eager tongue, which I pushed deeper inside her with every thrust Mike took. Mike eventually let go and I felt him fill me with wave after wave of warm spunk. Kim then reached down to bring herself off and she soon climaxed. It felt absolutely amazing!

In the morning Mike and Kim took me back to my flat. Kim had lent me some fresh clothes and when I asked if she minded she laughed.

# Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## GARDENERS' ERECTION TIME

Hopefully you'll remember my story from Club last year. I was the one who sucked and fucked the gardener on a day off in the summer. I mentioned that Ian would be returning to finish the job and that hopefully he'd be bringing a friend along. Well, it took slightly longer than I'd hoped, but eventually Ian did come back, and he wasn't alone.

It was Saturday morning and I was already up and dressed when the doorbell rang. I was wearing a long, baggy, white t-shirt and a white thong to cover my neatly trimmed snatch. I opened the door to Ian and his mate Steve, both wearing combats and t-shirts. Ian said "Hi!" and we exchanged pleasantries. I'd never met Steve before, but he stood behind Ian grinning. It obviously wasn't a secret what had happened on Ian's last visit, which suited me fine as I had plans for these two.

The lads made their way around the back and started work. I made them coffee, then settled down in front of the telly to let them work away and stew in their own imagination.

After about half an hour I decided to make my first move. I crept upstairs and watched the guys from my bedroom window. I started gently rubbing my clit with my index finger and as I tickled my button my juices began to flow freely from my pussy. The guys were working up a sweat in the summer sun and I was working myself up stroking my petals. Once I was positively dripping with love juices

I figured it was time to see if the boys fancied another drink and headed for the kitchen.

The chaps said they did indeed fancy a coffee and I duly obliged. However, when I turned around, coffee in hand, ready to wander out into the garden, my plans had been well and truly rumbled. The two lads were standing in the kitchen with huge grins on their faces. I popped the coffee back on the side and turned to face them. I put my hands on my hips, then hitched my t-shirt up over my hands to reveal my tiny g-string. "Well, what can I do for you two then?" I enquired and the grins grew even wider. "I couldn't help telling Steve about the last time I was here," replied Ian. "Sorry." Like I cared. "Well, well, well," I said. "It seems I'm building something of a reputation." I walked towards them, then brushed past and shut the patio

**"...he grabbed my shoulders and drove himself into me all the way to his balls."**

door. Well, what would the neighbours think!

Steve grabbed me as I pushed past, threw his hands around me and rather quickly slipped them into the front of my thong. His fingers slipped over my bush and he ran them along my swollen pussy lips. I went weak at the knees. He turned me around to bend me over the table and I found Ian already sat there with his combats around his ankles. This was fine by me; I'd more than enjoyed having his cock stuffed down my throat the first time. I bent over him and fed his length between my lips. Steve whipped my thong down around my ankles and stuck a couple of fingers straight into my sopping cunt. He finger fucked me roughly, hammering his digits home. I took Ian's prick deeper into my throat, sucking and slurping it, saliva dribbling down his shaft and soaking his balls. I heard Steve unzip his cock and I swooned in anticipation of what was to come.

Steve put his hand on the back of my head, bending me over even more and stuffing Ian's cock even further down my throat. I felt Steve's helmet rub gently against my pussy lips, then he grabbed my shoulders and drove himself into me all the way to his balls. I screamed in a mixture of surprise and shock. His meat filled me up totally and as

he continued to hold my shoulders he gave me the fucking of my life. Ian held my head, ensuring that his cock stayed well and truly stuffed into my mouth. I could already taste his come starting to dribble from his dick and knew he'd soon shoot his load into my belly. But that wasn't good enough for me.

I looked up into Ian's eyes. "Fuck my ass," I said. Ian got off the table and went behind me. I was manoeuvred onto the kitchen floor with Steve underneath me. He slipped his manhood back into my pussy and Ian nudged his helmet against my ring. Slowly he eased into my arsehole. I gasped with lust and delight as his shaft disappeared into my sphincter.

I couldn't have been more full of meat. My cunt dripped with juice and an orgasm rose quickly in me. As Steve bucked his hips up to me and Ian continued to thrust into my ass I shook uncontrollably as a huge orgasm ripped through me. I was screaming with pleasure and riding both the cocks stuffed inside me.

Steve's thrusts got harder and deeper. He held my hips and pushed me down onto his

meat. He told Ian he was going to come and Ian said they should both shoot all over me. Both lads withdrew and lay me flat on my back on the floor. Steve knelt at my head with Ian between my legs. I grabbed Steve's cock and shoved it into my mouth, sucking all my own pussy cream from his length. Ian wanked his cock furiously and gasped before an enormous stream of spunk shot from his bell end and splattered all over my tits and belly. This seemed to spur Steve on and after a few deep thrusts into my mouth he pulled out his prick and fired his jism all over my face and chin. Both cocks spasmed repeatedly and jet after jet of come rained down on me. Several of Steve's spurts shot straight into my mouth while the rest landed on my cheeks, chin and in my hair. Ian's cream covered my tits and belly and coated my bush. I lay there on the floor and rubbed their seed into my skin. I was knackered, fucked senseless and incapable of moving for a minute or two, but I was more than satisfied with the seeing-to I'd just had from my own two personal gardening studs. The coffees had gone cold by then, but the lads didn't seem to mind all that much! And nor did I!

## WEDDING TACKLE

My girlfriend and I have always wanted to get other people involved in our sex games, but for one reason or another it's never actually happened... until we recently went to London for a wedding, that is. On the last night of our

stay we were in bed boning away when we started talking dirty and all Jo could say was "I want another cock Matt. Find me a cock now." I got dressed and said I'd be back with someone.

I went down to the bar where I noticed a couple of lads aged about 25. I'd been chatting with one of them earlier in the evening so went over and bought the beers. While the one of them was out of hearing I asked the guy I'd met earlier, Dan, if he wanted to have his cock sucked by my bird. He'd seen Jo earlier so he already knew how fit she was and as soon as he'd got rid of his mate the two of us headed back to my room. Because Jo was so horny at the prospect of double dick she'd ordered a blue movie that was playing on the TV screen and already had her dildo rammed all the way up her pussy.

Dan and I immediately wrapped our lips around her tits and sucked them greedily,

while I took hold of the dildo and started to work it in and out of Jo's pussy. As soon as she touched her clit she exploded into orgasm and thrust her heaving chest harder into our begging mouths. I wanted to be in control of everything and ordered Jo to take Dan's cock in her mouth. She couldn't release it quick enough as she grappled with his belt, before finally prising it out and gobbling it up hungrily. Jo gives amazing head and did all her usual tricks, including inserting her tongue down Dan's jap's eye. He let out a little yelp before he realised how good it was. Jo smiled, at least she did as best she could with a big dick in her mouth. I really enjoyed the view of this stranger's cock in my girlfriend's mouth while massaging Jo's pussy and arse, slowly working a bit of KY into her bum.

Now I wanted to see Jo take it good and proper and told Dan to fuck her doggy style. I told him not to worry about coming

because we had all night. They got down to it and I have got to say it was fucking magic watching Jo thrust her arse back to meet Dan's pounding cock, while constantly telling him to go harder and faster. I told him to really ride her and he duly responded, making her scream and come at one and the same time. Dan then whipped his cock out and splashed his sticky spunk all over Jo's back, some of it nestling in her hair to make her look like the ultimate sex-hungry cow.

To let Jo recover from such a frantic fuck I told her to suck my cock slowly until I had the fattest hard-on ever. That didn't take too long, so I then took hold of her head and slowly worked my cock in and out of her mouth, just touching the back of her throat every time I moved forward. Dan was hard again by now, so I told him to let Jo ride him. She really looked dirty grinding her soppy pussy onto his cock.

I worked a bit more KY onto my purple end and parted Jo's butt cheeks so I could see her glistening hole. I nudged my way in as Jo stuck her tongue into Dan's mouth. I held there for a moment to let Jo enjoy the feeling, but she quickly ordered me to fill her back passage. I had no hesitation in doing so and slowly fed my eight inches into her arsehole. Dan slowly moved his cock in and out of her tight pussy as I began to pound her arse. Jo couldn't believe it; she was having the time of her life thrashing about on two cocks at the same time.

Dan was pretty close to coming and slid out from underneath to spunk on Jo's face. He pulled her hair back and duly splashed his come all over her open mouth. Jo fucking loved it and when he shoved his cock into her mouth again she came for what felt like an age. The vibrations of her pussy felt great on my cock, so I fucked her arse long and hard until I finally came and splashed my spunk deep inside her back passage. Jo shuddered with delight as my sticky seed shot straight down inside her and we finally collapsed, exhausted by all the sexual gymnastics we'd just performed. To calm ourselves down a bit we then showered, before going for one last session. Jo sucked our dicks one more time and we all then had one last, slow fuck before falling asleep.

The biggest surprise of the night was that while I was asleep Dan had said to Jo how jealous he'd been when I was fucking her arse, so she offered to let him fuck it too. I woke up to find Jo squatting over Dan with his cock up her bum! She was bouncing up and down on his shaft, screaming the place down with sheer pleasure, and the more she seemed to be enjoying this rogering of her rear, the more excited I became. What could I do? I just had to wank myself off at such a dirty sight! I shot it all over her face again and Jo greedily gobbled up all my jizz while Dan exploded in her once more.

**“ I slowly fed my eight inches into her asshole...”**

It was such a good night that we suggested getting together with Dan again. He was totally up for it and we now have a regular threesome with him every fortnight. My next plan is to see if Dan can find a girlfriend to bring with him to one of our sessions. I know that Jo is really desperate to get her hands on a nice, tight pussy and I know I'd get really get turned on watching her suck on a pair of tits while I fuck her arse.

Once upon a time, young Eva Tam here embarked on a little journey that would change her life, and since then she confesses she's never looked back. "I really enjoyed my first shoot, although I think the photographer wasn't very good, so he never did sell the pictures. By the time I left his studio, I knew that I had found what I wanted to do with my life and contacted an agent. The next thing I know I've got British photographers turning up in Prague telling me I'm going to be rich so I did just about any work they gave me. Some of it was pretty rude for a girl who'd just started, but I didn't mind. It was all part of the experience."

What our well-placed moles are telling us this month...

## Hood winked!

There are quite a few of us out there that have had a little joke by driving a few meters at low speed with someone on the bonnet, but one Florida woman has been charged with a misdemeanor after driving for nearly 20 miles, at speeds of up to 70mph with her ex-boyfriend clinging to the bonnet of their 2010 Mercedes. According to reports, both Patresha Isidore, 24, and Junior Francis, 22, both needed to use the car one Sunday night, Isidore was quicker to the vehicle and when attempting to leave

Francis jumped onto the hood of the car. Isidore made her way to the Interstate and proceeded to drive in the fast lane with Francis still attached to the car, much to the horror of other road users who recorded the proceedings. Francis confessed that the couple have a 'complicated relationship' with a five-year-old child and that he did not wish to press charges.

## Time Warp!

Back in the day, to be precise 1974, getting a parking ticket in another state was a hard thing to trace for payment. So when the police department in Minersville received \$5 and a letter that read "Dear PD, I've been carrying this ticket around for 40 plus years. Always intending to pay. Forgive me if I don't give you my info. With respect, Dave." They were a little surprised. The original ticket was for \$2, and a further \$3 was given by the person as interest. Police Chief Michael Combs stated the return address was "Feeling guilty, Wayward Road, Anytown, Ca." and that the

That's a ticket worth framing!

44-year-old ticket was issued for a car with Ohio license plates, that back then due to the lack of technology available they were unable to trace the vehicle.

## Big Tipper!

One Arkansas waitress had an interesting day at work after billing a customer when she was on shift at Shannon's Restaurant in Pine Bluff. 58-year old Flora Lunsford reportedly went to process the bill for the customer when she noticed the customer's credit card bore her own name. Two days prior to this encounter, Lunsford, had her stolen from a petrol station nearby. With "no desire to pay for the fellow's meal," as stated in the release, Lunsford called the local police who then arrested Shamon West, 21, with the Police discovering he had the rest of Lunsford's cards on him, including her driving license with photo I.D. West clearly hadn't done his homework and was detained and charged with forgery and theft by receiving.
